OLD SAVANNAH DISTILLERY

The Old Savannah Distillery (est. 2026) was created as a love letter to Southern dining and spirits, but what's a love letter without someone to deliver it to? That's where y'all come in!

We didn't want this space to just be about food or drinks or any one thing. It was designed to be a spot where Savannah's locals and visitors alike could pull up a chair and dive headfirst into the flavors that make Southern eats so delicious.

Beyond the meal you'll have with us, we've cooked up an ever-growing selection of experiences that reach every corner of this building. Here's just a taste of what we offer:

Spirit Tastings and Flights

Taste rotating samples from our exclusive collection of craft spirits as we tell you the history behind their ingredients.

Cocktail Class

Learn how to mix up cocktails using our exclusive selection of spirits from our team of expert storytellers.

Pairing Experience

Snack & sip on light bites perfectly paired with craft cocktails as you learn the history of Southern cuisine.

Southern Spirits Emporium

Take home the ultimate souvenir! Stroll over to our spirits store to pick up a bottle (or two) of your favorite of our spirits and the bar tools to mix them up just right.

Private Events

Make us the home for your next gathering! Whether you're bringing together family, friends, coworkers, or anyone inbetween, we want to make sure everyone leaves your event knowing why Savannah is known as the "Hostess City"

To learn more about how to make the most of your visit, all you have to do is ask!
